

## POEM FROM WALK 100

This is just to say I'm grateful  
For meeting each and everyone one of you  
This is to say I'm grateful  
Because now God is leading me through

The first day I was here  
I never had a clue  
That God had plans for me  
He put me here with you

God put me at Anne's Table  
With all my brand new friends  
Each one put something in me  
I'm sad our time has to end.

I plan to keep in touch  
I love you all so much

You gave me something great  
That I thought I'd never have  
The way we sang before we ate  
This is the best time I've had.

I'll really miss our singing  
And Polly's Joyful face  
I'll miss the talks with Ann  
Laura's Amazing Grace  
And Kate RLL will miss you.  
And the laugh it put on your face.

If I ever need a hug  
It'll be Debbie that I call  
I know that I'll see  
Laraine and Marilyn  
In the Mission Hall

So, this is a big Thank You  
An encouragement to all  
If you ever have a problem  
It should be Jesus that you call.
