

Low Country Emmaus

And their eyes were opened, and they knew him. Luke 24:31

Volume 18 Number 1

January 2009

The December gathering was at Stallville UMC in Summerville. Norman Murdough gave a most insightful 4th day talk about our duty to study the scriptures.

The board was given a letter by some community members concerning section 3 Sponsorship, Article 3. They said the bylaw should be changed to reflect a 90 day decision point for allowing the walk to proceed in stead of the 60 day period. The bylaw also states that there should be a minimum of 20 applicants. The board discussed the letter and voted to keep the 60 day period in effect. We increased the amount of applicants to 25. Also the applicants must be confirmed that they are going on the walk.

Another item the board has been working on is the IMS database for our community. We will soon be moving forward with this effort. We have to get our community database information to the IMS personnel so they can populate our information into the web based database.

Please be in prayer for sponsors and pilgrims. Continue to be in prayer for Terry Lupo and Ron Bycroft as they prepare for spring walks. They are reassembling their teams. Be in prayer for Beth Pregnall and Joel Strickland as ALD's in training.

DeColores,
Randy Woods
Community Lay Director
