FROM THE LAY DIRECTOR

To the community,

I would like to thank Pinopolis UMC for hosting the Sept. gathering and Pastor Dick Broomall for an inspiring 4th day testimony how he was a laity when he took his walk and now is a Pastor at Pinopolis. We are all called to serve the Lord in some capacity and sometimes it may be in the pulpit and other times it may be helping someone across a street.

We are ready for the walks to happen and if you have not volunteered for helping please contact one of the different areas to help. Remember Oct.7th for setting up the camp because we can't have too many. Please keep these walks in prayer we continue to need pilgrims for the walks. Probably by the time you get this newsletter we will have reach our cut off for this walk ,but it is never too early to sponsor for the spring walks. Continue to keep the teams in prayer as they finish previews.

As we continue to have gatherings the board is looking into maybe the first of the year try having a centralized gathering to try out and see if this improves our attendance. This is also to help with traveling for those who have to travel so far .Please let the board know your feelings on this matter as we work out details.

At the last gathering I introduced those who have been in the community a long time up through walk 20 and those who had taken there walks somewhere else. In our upcoming gathering in November we will continue to recognize those in our community by walks. Remember without **YOU** we would not be able to have walks and continue this community, so I thank each and everyone for their part in this community's existence.

I hope to see each one of you at the camp setup, sendoff, candlelight, and closing.
