On behalf of the entire Low Country Emmaus Community, we welcome the ladies from Walk #70. Wow, what a walk! From all the reports I heard from team members it was another memorable weekend. This group of ladies were full of energy and enthusiasm right from the start and were rearing to go at Send-Off on Thursday evening. Ladies, let's keep this enthusiasm going...get involve in a Reunion Group and join us at the Gatherings. As I mentioned at the Closing, now you can begin sharing the agape love you received while on the walk with others through progressive servanthood such as helping to set up and take down the camp, working in the kitchen, making agape and especially praying for our community.

This Walk is behind us, but let us not waste time. It is not too early to start praying for and sending in applications for the Spring Walks. The Spring Walks will be here before we know it' let's get the applications in and pray earnestly for full walks.

The month of November brings a number of special days, beginning with All Saints Day on November 1. On that day or a Sunday close to it, many churches remember those members who have died during the year past. Some of them may have been outstanding examples of the Christian life and faith. Others may have been quiet and hardly known. A few may have been outright grouches. But all of them are among the saints of God. The name "saint" means a holy person, and Christian holiness comes not from doing good things, but simply from belonging to God. Like being a part of the priesthood of all believers or being a part of the body of Christ, being a saint is a part of being a Christian. Being made holy people is part of the gift of God's grace. God has called us his own: his holy people, saints. Now God calls us to live like saints in each of our fourth days.

I recently heard a message in church about pledging and our commitment to our churches. I started thinking about the gift of the Walk to Emmaus and how we build on it to become more committed to our churches and our lives being shared with others. We now have another opportunity to share the Walk to Emmaus with new pilgrims. The holiday season is right around the corner and our lives get so busy that the deadline for the next set of walks will be here before we know it. So, let's start early and commit to making sure the weekend is scheduled by having our minimum (12) number of pilgrims registered.

Please be in prayer about the person the Holy Spirit is leading you to share the Walk to Emmaus. Applications can be downloaded at the Lowcountry Emmaus website at [www.umcsc.net/communities/lowcountrvemmas](http://www.umcsc.net/communities/lowcountrvemmas) and will be available at the November gathering.

During this economic downturn we read much about wise and effective asset management. Your Emmaus Board has the same goal for our valuable assets and your help is needed for wise and effective management.

The children who come with their parents to an Emmaus Gathering are precious assets who must be cared for carefully and safely. We are committed to providing our children the best and safest in child care. So IF you are willing to help occasionally in a child care room at a Gathering, and IF you are Safe Sanctuary approved by your local church, or by a similar safe child system, and IF you can supply the Board with written verification of this approval, then please contact Carroll Cash, Gatherings Board Chair, at [cashbilly143@aol.com](mailto:cashbilly143@aol.com) or by telephone at 843-696-1912.

Volunteer child care enables the Emmaus community to more wisely and effectively manage our financial and servant assets.

A large percentage of the offering received at the Gatherings is spent on paying for child care when approved community volunteers are not available or cannot be used. This money is needed for other community expenses. Your commitment to care for the children at a Gathering is the action of a servant in progressive servanthood to Christ through the Emmaus Community. Together we are effectively managing God's gifts and our special assets.
