From our Lay Director: Dan Hare

To the Emmaus Community,

The walks are over, and God is good. I would like to thank all the Board members for their hard work to make this possible. Also, a lot of thanks goes out to all the sponsors who reached out to these pilgrims and made these walks possible.

I realize how much I missed these walks, not just for me but mostly for the pilgrims whose hearts are changed. There is so much reward in seeing the pilgrims at Candle light in their eyes when they walk in and at closing when they **try** to explain what this weekend has meant to them. God calls us to reach out and bring Disciples to him and this is a great start.

We as a community need to be in prayer already for the next walks as we reach out for new pilgrims. Just because we got through these walks God calls us to vigilant about doing his work. There is excitement in the air every time we have these walks, and I pray we don't lose that excitement just because the walks are over.

I hope everyone will be at the Gathering this month at Hibben UMC, because if you missed hearing the pilgrims at closing, you will get an opportunity to hear how their 4th day is going. Remember these walks are all about God's work through us for him.

DECOLORES,

Community Lay Director,

Dan Hare

For our Fourth Day Chair: DeeDee Rackleff

Congratulations to our new community members! We love you and will continue to lift prayers for your Fourth Days.

As the Fourth Day board member, I would like to encourage you to find an existing reunion group or start a new one. I am here to help you.

The group reunion was introduced during the talk on Perseverance while on our walks. Remember, all that was introduced during our weekend could be lost as we return to the real world. Unless...we have a way of persevering in the life of grace. The group reunion is the life of the Emmaus community so we can sustain and revitalize our spiritual relationship with Christ and our church during our Fourth Days. Be sure to read and study the group reunion card and "Day Four – The Pilgrim's Continued Journey". These are excellent explanations and format provided for group reunions.

One of the greatest treasures of the Emmaus movement is the group reunion and serves the life of the Emmaus community.

From our Kitchen Chair: David Beals

I would like to thank everyone that volunteered in the kitchen over the past two weekends. I truly love and appreciate each and every one of you more than I could ever express in a couple lines of a newsletter. There is so much work that has to be done to make sure hot groceries are waiting on our pilgrims when that front door opens for them. That would have been absolutely impossible without the talent and hard work you guys and gals brought with you to Cameron. Every one of you is amazing and I hope I can repay your generosity one day.

I love all of you so much.

David

From our Music Chair: Dominica Harrell

Hello music lovers! Like many of you, I enjoy singing when we are together. We have some amazing musicians who make the experience better, just using their talent. If you play any instruments, WE NEED YOU!!! You won't have to do it alone, so please don't let that stop you. Please contact me so I can add you to my musicians list. My prayer is that we have many folks who know their God given talent should be shared.

AGAPE OPPORTUNITIES

Many thanks to all of the reunion groups who provided our table agape and signed up for the prayer vigil for our latest walks – you are very generous, and we had a good number of beautiful and meaningful items, including some from the Midlands Community for the Men’s Walk. Kudos to Sand Dollar for the list of agape items, contact person, and names of all those who participated in making your agape – this makes my job of entering your information into the IMS database much easier! If any groups want to send names to me now, text to 843-812-8644 or email to klayers49@yahoo.com. And a special thank you to those who helped in the agape room during the walks, especially when I was on the women’s team, and for helping with the Literature as well. Remember if you work on agape items through the year you will have plenty when the walks happen!

We are also working on updating our nametags with computer generated script which is easier to read. So if you have an old handwritten tag, or yours has gotten worn or dirty, please let me know and I will print you a new insert. We have some plastic holders if you need a new one of those as well.

The next board meeting will be held November 13, 2018 at the Cabinet Shop 9475 US-78, Ladson, SC 29456 at 7:00pm.
